MELTING POINT RESTAURANT AND BAR

Location: 295 Dougherty Street, Athens, GA at The Foundry Park Inn

Contract Value: \$1,125,000

Completed: March, 2006

Description: Restaurant and Bar, 3,500 SF A renovation and addition to the historic Athens Steam Company Pub at The Foundry Park Inn. Project required close attention to details regarding historic elements that were incorporated into the building. The Melting Point is a live entertainment venue that includes a stage, upstairs seating, VIP and bar area. The project included steel framing, stucco and brick. The interior elements included multi-elevations and extensive millwork and railing work.
